These terms apply to you if you are a Client (as defined below) of one or more of the connected brokers, available on the App as a listed broker. If you are a Client of a Broker and you wish to connect your trading account with the Pelican application, these terms apply to you.

These terms are considered as social trading authorisation and subscription terms of **both**, Pelican and Broker, and are accepted by the Client who connects a trading account held with a trading platform of the Broker with the application of Pelican. Therefore, please treat these terms as tri-party agreement.
